

THE 8200 PRO-X

PORTABLE & COUNTERTOP HYBRID

PREMIUM ANDROID 10.X + CORTEX A53 TERMINAL

The next-generation AMP 8200 Pro-X combines the familiar Smart Terminal experience of the AMP 8200 with an all new processor and upgraded Android 10 OS to help you sell & accept payments faster than ever, whether by EMV card, mobile wallet, or QR code scan. Upgraded to PCI 6.X security certification, and optimized for the AMP 360 Cloud Platform, the 8200 Pro-X is ready to integrate to any payment solution, keeping transaction data secure while engaging customers with the 5.5" HD display. With the built in printer, camera & QR code scanner, the 8200 Pro-X handles the entire payment experience from a single, intuitive device.
